Going  
to the  
Playground

mrs bell's banda

I am going to the playground today.  
*How do you feel about going to the playground today?*

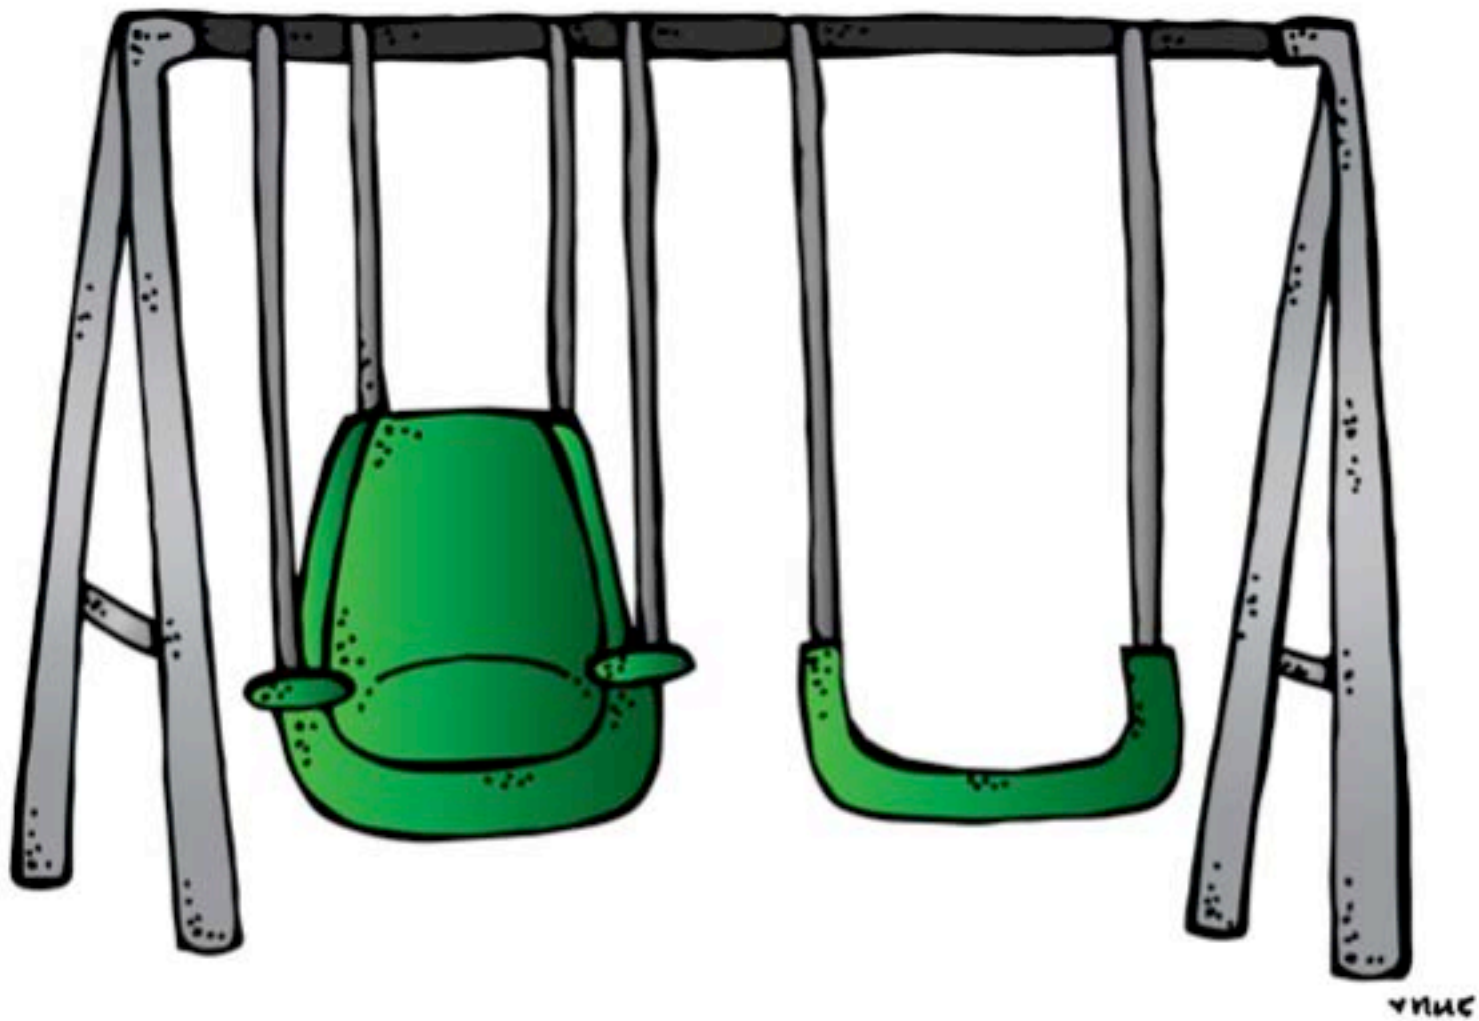

I know there will be many people at the playground.  
There are also many fun things to play at  
the playground.

4/12/2

I will wait my turn and go down the slide. I know I only go down the slide, not up the slide. I might have to wait in a line. I can wait in a line until it is my turn.

I will take turns on the swings. I might have to take turns with different kids. I know I can get back on a swing after taking turns.

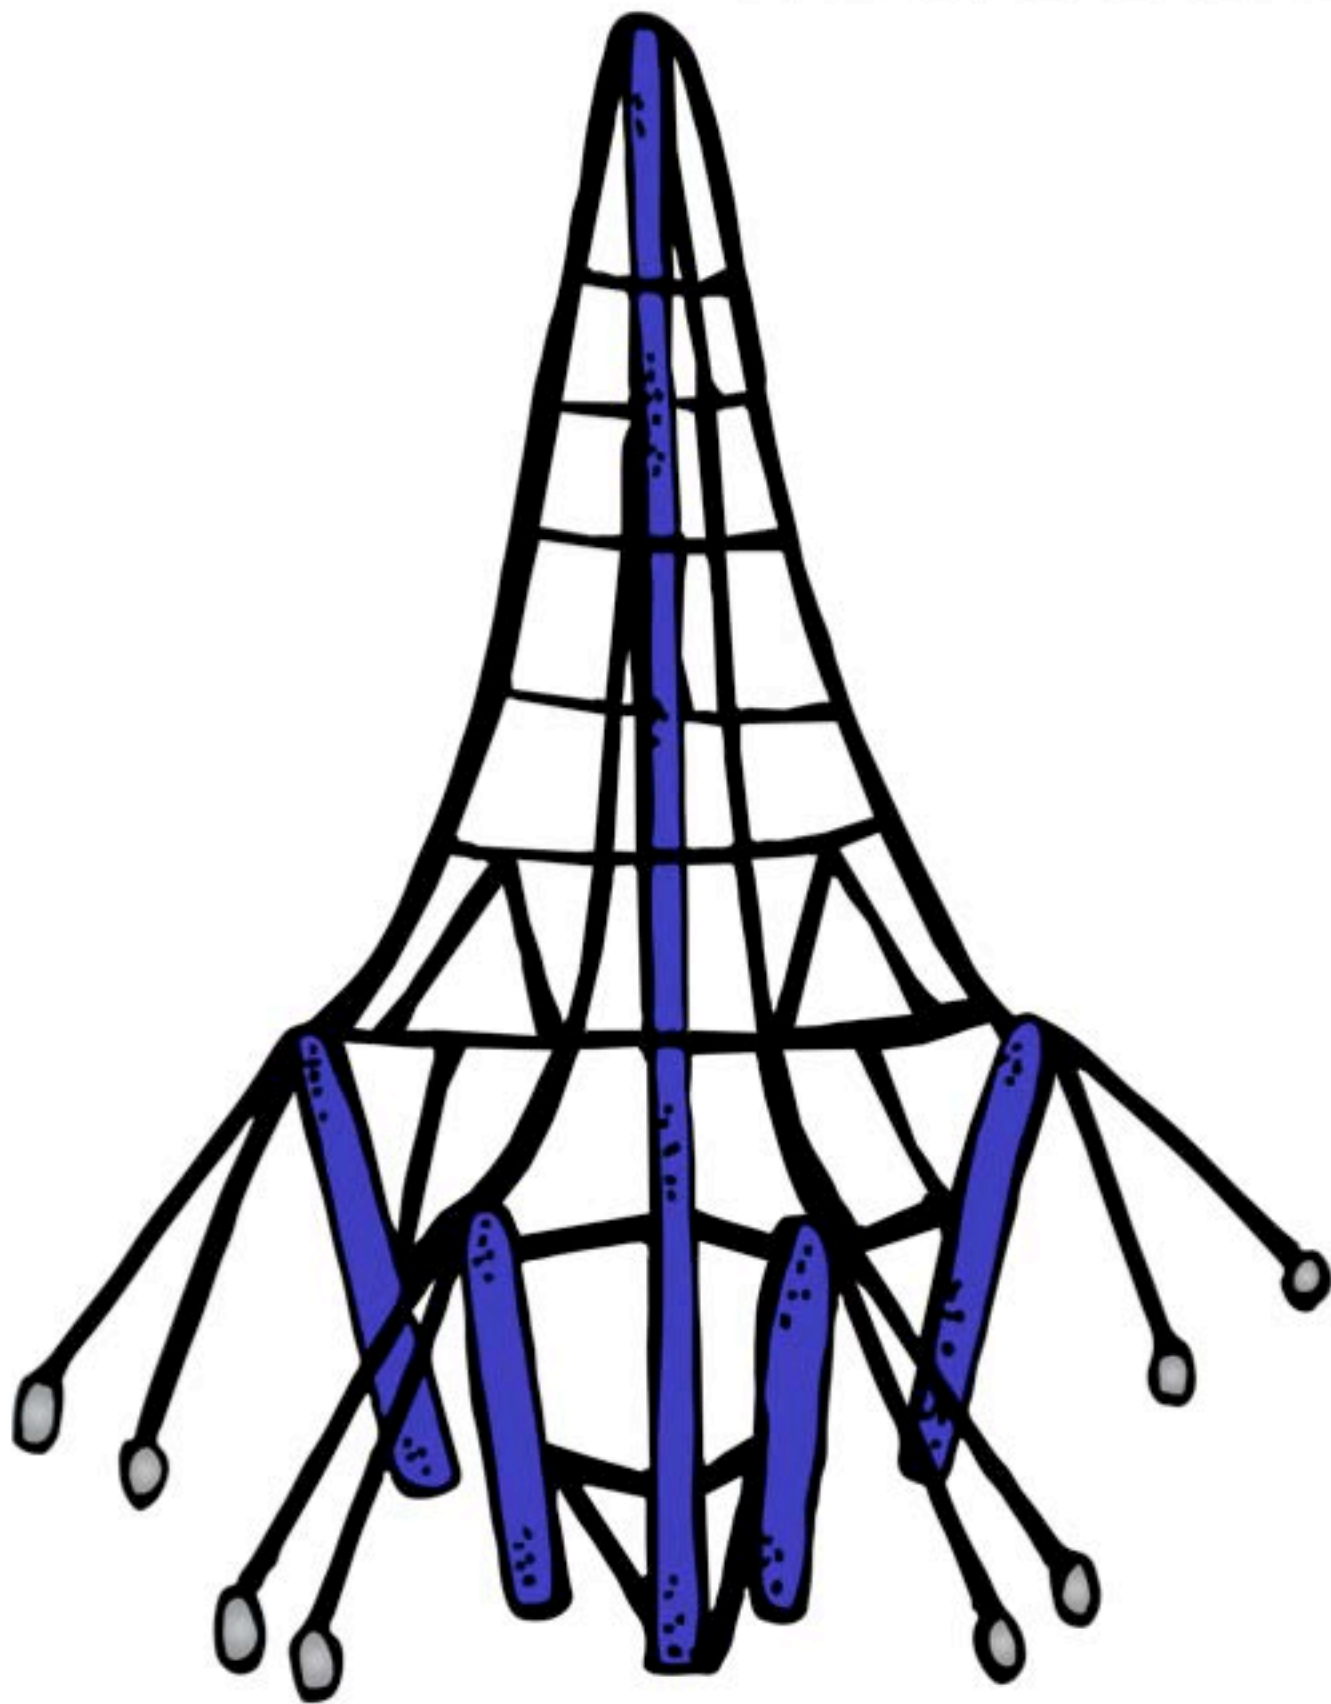

The playground may be loud. If it gets too loud, I can take a break. I can sit on a bench, in the sand, or ask to take a quiet walk.

If I get upset, I can also take a break. I will not yell, hit, kick, throw sand, or run away. I will take a break until I feel better. I can ask for help if I want to.

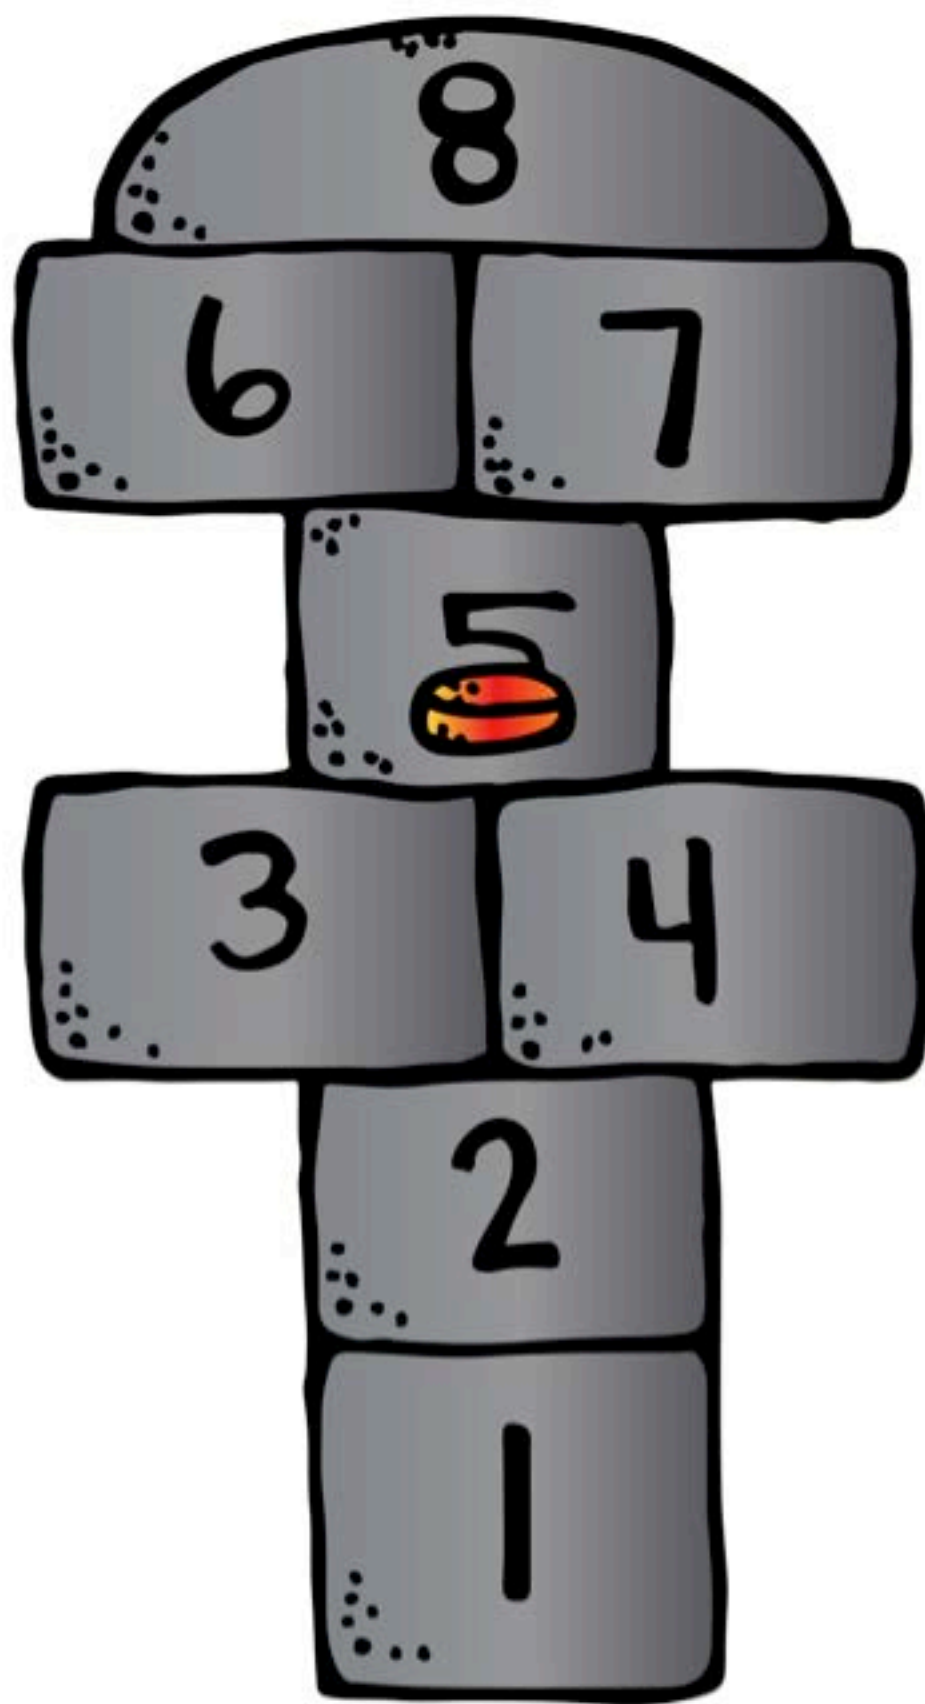

I will be patient when climbing. I will watch for other kids and go around them or wait when climbing. I do not want to hurt anyone when playing.

I will be safe when playing. I will only climb, hang, and run where there is space between me and the other kids. I like being safe at the playground.

I can play with other kids at the playground. I can ask 'May I play with you please?'. Some kids may say 'yes' and some kids may say 'no'. I should respect what they say. There will be another group to play with if someone tells me 'no'.

If I do not know how to play a game or use a toy at the playground, I can ask for help. It is fun to learn new things at the playground.

*What do you like to do at the playground? Why?*
