# Why should we use good manners on the playground?

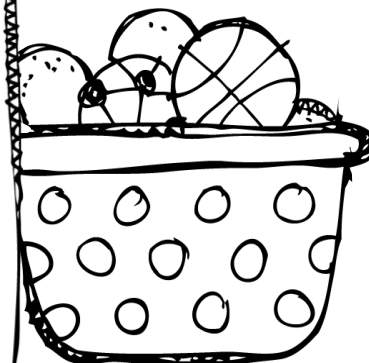

Manners  
allow  
everyone  
to have a  
turn.

Using  
good  
manners  
can make it  
nicer for  
everyone.

Good  
manners  
help people  
play safely.

# How can we use good manners on the playground?

Who is using good manners?  
Color the pictures of the children using good manners on the playground.

Elliot waits his turn for the slide.

After play time, Sue and Jim pick up the balls and other toys.

When Cheryl bumps into her friend Elliot, she says "Move out of my way!"

# How can we use good manners on the playground?

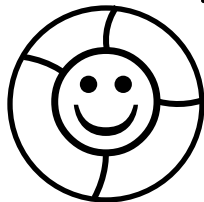

## Who is using good manners?

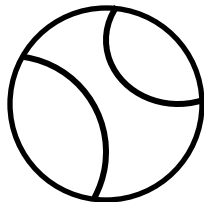

If the child is using good manners draw a 😊 face!

If they need to work on their manners draw a ☹ face.

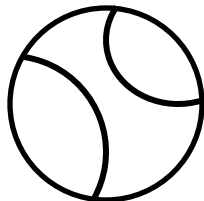

**Example:**

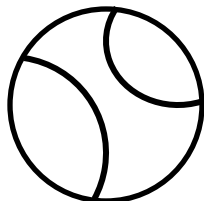

Beth says "Thank you!" when her friend helps her to the top of the jungle gym.

Jessie and Melissa let their friend play with the ball first.

Juan doesn't wait his turn for the jump rope. He grabs it from another student.

Cody says "Good game!" to the players on the other team after his team wins the game.
