

I Keep My Hands to Myself at the Playground.

1

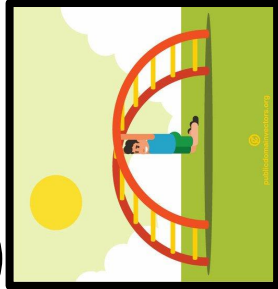

I love playing at the playground!

2

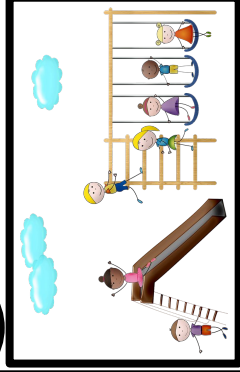

I can ask another kid to play with me.

3

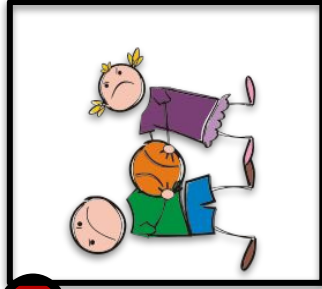

Sometimes I like to play alone, too.

4

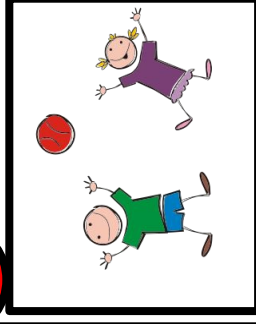

There are so many things to do at the playground.

5

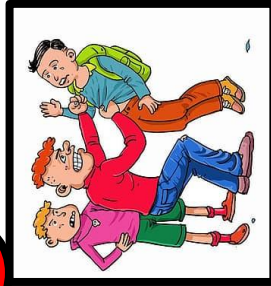

I never just grab something out of another kid's hands. They don't like that.

6

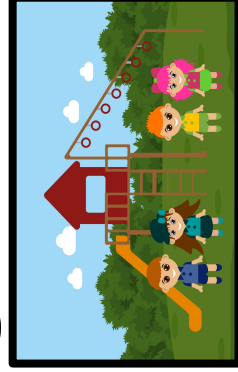

I ask first if they will share it with me. If they say **yes**, we play! If they say **no**, I listen.

7

I never hit, push, or grab other kids. They don't like that.

8

When I keep my hands to myself, kids like playing with me and we all have fun!
